is wallpaper in style?

Yes! Not only is wallpaper in style, it's the perfect way to create Insta-worthy interiors on any budget.

Ready to redecorate, but not wanting to spend a fortune? You don't need Victoria Beckham's budget to have a home as Insta-worthy as hers. All it takes is a little savvy when it comes to selecting which products you use, and how you apply them.

To get you started we've put together a few clever tips about how to create gorgeous interiors on a budget.

The secret to beautiful, budget-friendly décor? Buy wallpaper.

Our number one tip is to buy wallpaper that sets the tone for your room. Whether it's a bold and bright design or a classic print, quality wallpapers are a fantastic way to create a space.

You don't need to spend the earth to get that luxe look. The recently launched the Heimtextil Trends wallpaper collection – an exclusive range of premium, modern wallpapers that not only hold their own in the design stakes, but are also budget-friendly at an introductory price of \$94.99 (30% off standard RRP).

Curated by one of New Zealand's leading wallpaper suppliers, the collection has been selected from the latest global trends at the famous European Heimtextil Trends conference. It features a variety of looks, from nautical patterns to bold tribal motifs and lush tropical prints. This is a "Paste-the-wall" collection, making it even easier and quicker to hang the wallpaper yourself!

Whether you're looking for a soothing bedroom wallpaper design, a fun wallpaper for your living room or even bathroom wallpaper, the Heimtextil Trends range has got you covered!
